WHY EXHIBIT AT CIAM MONTERREY 2024?

Because to the privileged geographical location of Monterrey, CIAM is visited by decision makers, Aircraft Operators, Pilots, Armed Forces officials, Aircraft Owners, Aviation Authorities, Airlines, Professionals' Industry, not only from Mexico, but from Central and South America too.

Because Monterrey is one of the most prosperous cities in Latin America, with a significant presence of aerospace industries.

Because Monterrey airport is one of the largest business aviation airports in Latin America.
